

STATE OF MINNESOTA  
COURT OF APPEALS  
A19-0665

Michelle MacDonald & MacDonald Law  
Firm, LLC,

Appellants,

vs.

Michael Brodkorb & Missing In  
Minnesota, LLC

Respondents.

**RESPONDENTS' MOTION TO  
DISMISS FOR FAILURE TO  
TIMELY FILE APPROPRIATE  
BRIEF**

The Appellants attempted to file their brief at 11:56 p.m. on August 19, 2019, the date the brief was due according to the law of this case. The principal brief that was filed was, in its main part, consists of 46 pages, 1 page more than the 45 pages permitted by Minn. R. App. P. 132.01 Subd. 3. Inexplicably, or perhaps to skirt the 45 page limit rule, the 2 page Table of Contents and a 4 page Table of Authorities were filed along with the brief as "other" documents.

In any event, the proffered principal brief is untimely as Minn. R. App. P. 125.01 (c) (1) requires that the brief be accepted to be timely. This Court has rejected the proffered principal brief therefore the Appellant's Appeal should be dismissed forthwith. Respectfully submitted,

Dated: 8/20/2019
